11. Truth Trekkers Christian Co-op is a self-supporting ministry. In an effort to promote a positive climate which encourages the goals and philosophies of our mission to maintain a Biblical worldview, **new families** applying for admittance must have *at least one parent or guardian* of their family active in a local church of like-minded faith. With that in mind, what is your church background? Are you a member of or do you attend a local church? If so, where and what is your denomination?

12. Please include a brief testimony regarding each parent's relationship with Jesus Christ.

It is **very important** that you take time as a family to **read through the handbook** before your family interview to ensure you all fully understand the policies and procedures of the co-op. We do have a weekly service obligation for all families of up to three hours. Also, when registering, it is important that each family is aware of the fact that Truth Trekkers is a yearlong program, versus a semester or monthly co-op. Please be sure to review the financial and academic policies, as well as our dress code, and statement of faith. Because attending a coop is a commitment, these are all critical issues which need to be considered before making your decision about whether or not you feel Truth Trekkers will meet your family's needs and goals pertaining to homeschooling.

Thank you for your interest in Truth Trekkers. Someone will be contacting regarding the admission process.

May God bless you in your homeschooling trek!
